## **[JCM]: (IF: 4.241, ISSN 2077-0383) Guest Editor of the Special Issue “Tennis Elbow: The Condition and Current Management Strategies of Lateral Epicondylitis”**

On the behalf of the Journal of Clinical Medicine, I hereby confirm that Dr. Stasinopoulos Dimitrios will be the Guest Editor of the Special Issue “Tennis Elbow: The Condition and Current Management Strategies of Lateral Epicondylitis” with the deadline of 31 December 2022.

[Journal Introduction] JCM is an international scientific open access journal, providing a platform for advances in health care/clinical practices, the study of direct observation of patients and general medical research. Journal of Clinical Medicine (<http://www.mdpi.com/journal/jcm>; ISSN 2077-0383) was indexed by Science Citation Index Expanded (SCIE) with the Impact Factor of 4.241 (2020), PubMed, Scopus and many other databases.

[Role] We will ask the Guest Editor to find contributors, precheck and make decisions for manuscripts which are submitted to the Special Issue. The Editorial Office will handle the majority of the peer review process, including but not limited to checking manuscript submissions before sending to Guest Editor, communicating with authors, inviting reviewers and editing language for accepted papers. In short, our aim is that the Guest Editor controls the scientific quality of manuscripts, while we handle all editorial work.

Kind regards,
